COLLECTION DINING

We invite you to celebrate family milestones, business achievements and friendships old and new, with a renewed appreciation of Scotland's national drink, by making our stunning Whisky Collection yours for the evening.

Acquired over decades, the priceless Diageo Clave Scotch Whisky Collection is one of the world's largest collections of Scotch whisky. The marble and glass vault containing the collection has become one of the Scottish capital's most celebrated intimate venues, where up to ten lucky guests can dine amongst the soft glow of 3,384 bottles of liquid gold.

Upon arrival your guests will be inspired by a private whisky tour, which will prepare their palate and whet their appetite for what's to come.

A pre-dinner cocktail, created by our mixologist, will be served in the McIntyre Gallery Bar, where your guests can soak up unrivalled views across Edinburgh, looking out over the rooftops to some of the city's most iconic buildings and the Pentland Hills. Our events team will plan the evening with you, to create your perfect sumptuous five course menu with a special dram to match your dessert or cheese course.

To complement the setting, our service is friendly and warm. Each dish will be introduced by our knowledgeable host, giving you an insight into the origins of the menu and the best of Scotland's larder. Our Whisky Sommelier can match a whisky to each course – a taste sensation that is not to be missed (we are happy to present a selection of our wonderful wines, as whisky may not be to everyone's taste!).

Since 2001, the chefs in our Amber Restaurant have been showered with praise and awards. Dining in the Whisky Collection showcases our finest menus and creativity, providing tastes that will linger in the mind long after they have left the palate.

“ The vault holding The Diageo Clave
Vidiz Scotch Whisky Collection
provides a unique and world class
luxury environment for a world first
VIP dinner. The setting is sublime, the
collection stunning and the service
outstanding. We had a superb meal
and the guests were thrilled. I have
no hesitation in recommending this
facility - it's amazing! ”

- Ken Grier, The Edrington Group
